Keynote Speaker – Jennifer O’Neill

Jennifer O’Neill Internationally acclaimed model, actress, film and television star, spokesperson, producer, author, fundraiser, proud mother of three, and noted among the most beautiful women in the world, by any definition, Jennifer O’Neill is one of a kind. With thirty-five plus feature films, numerous television movies and series to her credit, Jennifer is the first to tell you she is truly blessed.

After having had an abortion a few years after it had become legalized she has become a very strong pro-life advocate and shares her unique story.

Now Jennifer has a message of reconciliation, hope, and healing in Jesus. She is the International Spokesperson for the Silent No More Awareness campaign.

Master of Ceremonies – Mike Goss

Mike Goss is what one would define as a socially conscious minister who provides biblical commentary on the social issues of our day. He has appeared on numerous radio and television talk shows. A writer of several books and articles, the latest: *Unborn Black Lives Matter, Too!* His heart was arrested for the unborn after being led to attend a pro-life church event in 2010 and discovering the huge numbers of unborn black babies being discarded in his words “like worthless trash.”

In 2002 he founded Abstinence America personally teaching over 30,000 High School, college and middle schooler students character-based abstinence and relationship education. A serial entrepreneur at heart, for the past 36 years has been involved with several business ventures. He considers himself blessed most of all to have been married to the same woman for 35 years, the mother of his two children.

His favorite life verse: ***I have brought you glory by finishing the work you gave me to do. (Jn. 17:4)***

The Annual Benefit Dinner supports the work of the Houston Coalition for Life.

The Houston Coalition for Life maintains a peaceful and prayerful presence coupled with sidewalk counseling outside Planned Parenthood Gulf Coast's abortion facility in Houston. We also run The Blue Blossom Pregnancy Centers including the Big Blue Bus and Baby Blue where we offer free pregnancy tests, free ultrasounds and Christian counseling to the women entering the abortion facilities. 90% of the pregnant women who visit our mobile units choose life!
